Communication is a skill **and** an art, especially when it comes to having to communicate complicated and sometimes unpleasant realities to the resident of an affordable housing property. Through role playing, sharing success stories, and learning techniques for keeping your cool, participants will learn how to come out an ally instead of an adversary to those residents that have a lot of “issues.”

Our Instructor: Gwen Volk has provided training and consulting services in 36 states through **Gwen Volk, InFocus, Inc.** She has extensive knowledge and experience in Section 42 low-income housing tax credit, tax-exempt bond, HOME, Section 8, 236, 202 PAC, 202/811 PRAC and Rural Development programs.

Tech Advice: Please participate on a desktop or a laptop computer. An ethernet connection is preferable.
