

The Oregon Affordable Housing Management Association Presents Reasonable Accommodation Best Practices

A Fair Housing/Landlord-Tenant Law Focus Class for Affordable Housing Providers

LIVE WEBINAR

Tuesday, July 22, 2025, 10 am to 11:30 am, PDT

This focus class is essential education for new managers and maintenance techs. It's also an excellent refresher for 'old hands.' We'll start with some basic definitions, and from there, we'll discuss best practices as they pertain to protocols for handling requests and moving through the decision-making process in alignment with fair housing laws. We'll touch on lease violations resulting from reasonable accommodations and also address some of R.A.'s stickiest wickets: pets vs. assistance animals, live-in aides, and assigned parking.

Our Instructor: Attorney Leah Sykes is a partner and founding member of Andor Law. Ms. Sykes serves housing providers in all legal aspects of property management with a special focus on education and fair housing discrimination defense. Leah's lively training style makes her an in-demand CE instructor.

Tech Advice: Please participate on a desktop or a laptop. An ethernet connection is preferable.
